DRAFT NOTIFICATION.

Paragraph of 9(b) of the notification for the resettlement of the Red-soil taluks of the Bellary District published in the Bellary District Gazette Extraordinary dated 7th May, 1925 provides that if at any time during the term of the resettlement a defect on account of which an irrigation source has been placed in a lower class is remedied by the

State or if any source is improved or any new source is con
by the State, the State shall be at liberty to revise the r
tlement classification or to assign a suitable classificati
as the case may be, to such sources and to impose such wet
of assessment as the State may deem fit on the lands comman
by such sources. With reference to this provision the Stat
directs that the classification of the Rayapuram Tank in th
Halasagar village of the Kudligi Taluk of the Bellary Distr
which has been restored under the Grow More Food Scheme, be
classified as a third class non-precarious source of Irriga
with effect from Fasli 1360.
